HYGIENE

The intimate double basin design can separate different daily washes, such as brushing teeth and washing face. Such a design is more sanitary and healthy, can effectively reduce the growth of bacteria, let us enjoy the life of a leisurely.

Multiplayer use

Functional zoning

Smoothness

Ensure that the porcelain is as smooth as possible by increasing density of its surface.

easy-to-clean

The antibacterial glaze is used and its antibacterial function is stable and long term.

Antibiosis

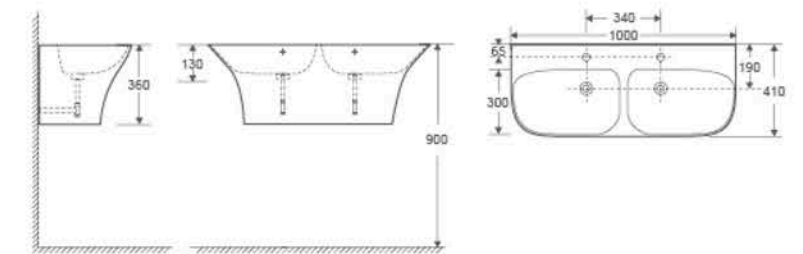

The glaze is fired by high temperature to ensure the surface is greatly smooth, air-proof, nowhere for dirt to hide and sopping rate is zero.
